MOBILE TOILET ABLUTION TRAILER

MOBILE TOILET ABLUTION TRAILER range manufactured by the leading modular solution manufacturer Rico Trailers CC. Designed to be used for sites that lack toilet or ablution facilities such as mining and construction sites as well as large scale events. Our mobile toilet range is made with the highest quality in mind. All 3 models in the range offer full flush systems with fully furnished interiors and excellent aesthetic exterior. Additional extra upgrades are available for each model to enhance the user functionality and longevity on site as well to amplify aesthetic presentation in total.
