

# MOBILE COLD ROOM TRAILERS

V2024.2

Valid 01.01.2024 – 30.06.2024

Our mobile cold room trailers have been designed to withstand the elements, they are built tough and still have our premium looks. We offer three models in our standard range that cover all purposes. These units are effective for rental businesses as well as transport for goods that need temperature regulated in transit. Transporting Ice, Meat, Fruit, and Vegetables made easy. They can be set to Fridge or Freezer temperatures ranging from 6 Degrees to – 20 Degrees.
